Hoop Website README

Welcome to our movie website! This README file will guide you through the basic functionalities and usage of our platform.

1. Getting Started:

- Visit our website.
- Register for an account if you haven't already done so. If you already have an account, simply log   in with your credentials.
- Once logged in, you will have access to all the features of our platform.

2. Browsing Content:

- There are a few options on viewing the content:
    1. HOME PAGE: contains a combination of all movies and series
    2. MOVIES PAGE: contains only movies
    3. TV SERIES PAGE: contains only series
- On the home page you may sort by title, genre, release date and ratings.

3. Interacting with Content:

- Click on view more to view detailed information including its synopsis, language, genre, release date, production studio, runtime , directors, writers,   awards, restrictions, cast, ratings and reviews.
- Click on an actors name to get detailed information about each actor including their country, birthday, death day, gender and other movies they have   been in
- Click on add to watchlist to add a movie to your watchlist. There is a watchlist tab on your navigation bar that allows you to view all that you added   to you watchlist.
- Click on share to share a movie through numerous platforms.
- -Click on the heart button to like a movie.
- Click on add a review to rate movies by giving them a number and review based on your personal opinion.
- Add movies to your watchlist to keep track of films you want to watch later.

4. Extra Features:

- A recommended tab allows you to browse through movies based on the content you have previously interacted with.
- In the watchlist tab you can easily remove it with a remove button.
- In the liked tab, all the movies that you previously liked appears there.

4. Managing Your Account:

- -In the my profile tab you may view your profile information such as username, email, subscription plan and account type. You also have the option to   log out
- A user can be an admin that will have access to the edit database tab that allows you to add/delete movies and tv shows from the database

Thank you for choosing our movie website! We hope you enjoy your experience and discover many great films to watch.
