TASK 2

First Draft:

Changes made:

1. Added a bank account entity to account for banking details when registering a user; this resulted in a 1:1 relationship with the USER
2. Added name and surname attributes to USERS
3. Added more attributes to the CONTENT, MOVIE and TVSERIES
4. Added more attributes to the crew to expand on the information we have on them
5. Included the participation in the ER Diagram which was missing from the first draft
